ACETIC ACID, The Use of, in Affections of the Conjunctiva and Cornea. By B. A. Pope 446
Advancement of the Muscle, Modification of. By R. Liebreich 25
Alteration of Taste and Sensibility in the Tongue by the Application of an Artificial Tympanum in a Case of Large Perforation. By S. Moos 140
Astigmatism, Test-type for. By O. M. Pray 17
Atrophy of the Membrana Tympani, Medico-legal Significance of. By S. Moos 321
Aub, Jos. Do the Eyes Perform any Rotation on the Optic Axes in Lateral Inclinations of the Head? 659

Becker, O. The Diagnosis of Intra-ocular Sarcomata 694
——— On Retinitis Leucæmica 341
Berlin, R. Two Cases of Extraction of a Foreign Body from the Corpus Vitreum 30
Binocular Vision, On the Theory of. By H. Kaiser 186
Blake, C. J. A New Form of Wire-snare for the Removal of Aural Polypi. 435
Buck, A. H. On the Mechanism of the Ossicles of the Ear 603

Cancroid Growth, A Case of Extirpation of.—Blepharoplasty by Sliding Flaps. By H. Knapp 424
———, Case of Orbital, with Histological Peculiarities. By H. Knapp . 132
Cataract Extraction Operations. By H. W. Williams 98
——— ——— by the Peripheric-linear Method, Report and Remarks on a Third Series of One Hundred Cases of. By H. Knapp 103
Choroid, A Case of Detachment of, from the Sclerotic, after an Operation for Cataract. By Geo. Reuling 439
———, Isolated Rupture of, resulting from Concussion of the Eyeball. By H. Knapp 149
Cornea, Anæsthesia of the, and Concurrent Diminution of the Action of Atropia on the Iris. By J. S. Hildreth 455
———, Contributions to the Pathology of Burns of the, from Lime. By H. de Gouvéa 208

PAGE

Corpus Vitreum, Two Cases of Extraction of a Foreign Body from the. By R. Berlin..... 30
Crystalline, Dislocation of the, into the Corpus Vitreum, and afterwards into the Anterior Chamber.—The Effect of Refraction. By Henry D. Noyes..... 37
Cyst of the Iris cured by Operation. By H. Knapp..... 31
Cysts in the Iris, On the Formation of. By L. Wecker..... 85
Cysticercus Intra-ocularis. By J. Hirschberg..... 639

Deafness, Recovery of Complete Nervous. By S. Moos..... 464
———, Historical and Critical Remarks concerning the, following Meningitis Cerebro-spinalis. By S. Moos..... 621
Double Hearing caused by the Nasal Douche in a Case of Purulent Otitis Media. By H. Knapp..... 365

Ear Disease, Two Fatal Cases of. By S. Moos..... 296
———— in Court, Two Cases of.—Doubtful Responsibility. By S. Moos..... 306
Electro-otiatrics, Contributions to.—The Galvanic Reaction of the Nervous Apparatus of Hearing, in Condition of Health and Disease. By W. Erb. 232
Embolism of a Branch of the Retinal Artery, with Hemorrhagic Infarctus in the Retina. By H. Knapp..... 64
Entopic Phenomena connected with the Circulation of the Blood. By B. A. Pope..... 1
Entropium and Trichiasis, The Extirpation of the Fibro-cartilage of the upper Eyelids, for the Cure of Certain Cases of. By B. A. Pope..... 10
Erb, W. The Galvanic Reaction of the Nervous Apparatus of Hearing, in Condition of Health and Disease.—Contributions to Electro-otiatrics. 232
Eustachian Tube, A Preliminary Notice on the Anatomy and Physiology of the. By S. Moos..... 617

Fissures of the Lids, A Contribution to the Knowledge of Congenital. By L. Wecker..... 91

Galvanic Current, Peculiar Disturbances of Hearing after Cerebro-spinal Meningitis. Considerable Improvement by the. By S. Moos. 332
——— Reaction of the Nervous Apparatus of Hearing in Condition of Health and Disease.—Contributions to Electro-otiatrics. By W. Erb..... 232
Gouvéa, H. de. Contributions to the Pathology of Burns of the Cornea from Lime..... 208

Handle of the Malleus, Investigation on the Relation between the, and the Membrana Tympani. By S. Moos..... 283
Hearing, The Mechanism of the Organ of. By H. Kaiser..... 664
———, Peculiar Disturbances of, after Cerebro-spinal Meningitis.—Considerable Improvement by the Galvanic Current. By S. Moos 332
